Directions: From Kapahulu Ave. enter driveway (located between golf course & Waikiki-Kapahulu Library). Go 0.2 mi. to 2-story clubhouse and go upstairs.

*Refreshments made possible by  
Down to Earth Organic & Natural*

A Texas cattle rancher goes vegan, transforming her husband's beef operation into a farmed animal sanctuary, then finds her true calling helping farmers transition to plant-based, and end their business of animal agriculture.

This film showcases the inspiring work of an animal activist who has been on both sides and proves that there is a common ground between farmers and vegans – a shared mission of compassion and sustainability.

**Vegan Society of Hawaii**  
Human Health, Animal Rights & Protection  
of the Environment  
A 501(c)(3) nonprofit educational, all-volunteer organization  
since 1990.
